Graduate Programs in Environmental Science

Application Checklist

The following items are required for a complete application to the University of North Texas Graduate
Program in Environmental Science:

1. Completed Robert B. Toulouse School of Graduate Studies Application for Admission form
   (www.ApplyTexas.org).
2. An Official copy of the GRE (Graduate Records Exam) scores (verbal and quantitative).
3. Official transcripts from all colleges and universities attended.

Items 2, and 3 should be mailed to: Toulouse School of Graduate Studies, Admissions Section, University
of North Texas, 1155 Union Circle #305459, Denton, TX 76203-5017.

4. Copy of correspondence from an environmental science faculty member stating that he/she
   agrees to be your major professor for the PSM, MS or PhD program if you are admitted to the
   program. This is one of the most crucial requirements.
5. Three letters of reference from former professors/associates who know your academic
   qualifications (forms enclosed).
6. A letter of intent detailing the exact nature of your interests in environmental science and your
   career goals. Please make this letter as informative as possible because it is seen as one of the
   most important documents in the application materials.
7. Environmental Science Application Data Sheet (enclosed).

Items 4, 5, 6 and 7 should be emailed to: thomas.wild@unt.edu

Carefully read the graduate catalog for general admissions requirements on the University of North Texas,
and departmental information regarding the Environmental Science degree programs.
