

Graduate Programs in Environmental Science Application Checklist

The following 2 items are required when applying to the University of North Texas Graduate Program in Environmental Science:

_____ 1. Completed Robert B. Toulouse School of Graduate Studies Application for Admission form (www.ApplyTexas.org).

_____ 2. Official transcripts from all colleges and universities attended.

OPTIONAL: _____ An Official copy of the GRE (Graduate Records Exam) scores (verbal and quantitative).

Item 2 and GRE scores (optional) should be mailed to: Toulouse School of Graduate Studies (TSGS), Admissions Section, University of North Texas, 1155 Union Circle #305459, Denton, TX 76203-5017.

For more information see the TSGS website.

.....
Items 3, 4, 5 and 6 below are also required and should be completed through the program's online application at <https://environmentalscience.unt.edu/graduate-program/application-process>.

_____ 3. Letter of support from an environmental science faculty member stating that he/she agrees to be your major professor for the PSM, MS or PhD program if you are admitted to the program. This is one of the most crucial requirements.

_____ 4. Three letters of reference from professors/associates who know your academic qualifications. The major professor letter of support can serve as one of these letters.

_____ 5. A letter of intent detailing the exact nature of your interests in environmental science and your career goals. Please make this letter as informative as possible because it is seen as one of the most important documents in the application materials.

_____ 6. Relevant coursework. You may find this form to be helpful: [Environmental Science Application Data Sheet](#).

.....
Carefully read the graduate catalog for general admissions requirements at the University of North Texas and for departmental information regarding the Environmental Science degree programs.

Questions may be emailed to: biology.grad@unt.edu
